Faculty Profile

Teachers . . . you saw them for 175 days during the year, but did you really know them? For instance, did you realize that they averaged 10 years of teaching in Gainesville and averaged 17 years of total teaching experience? They were smart . . . as 62 percent have degrees beyond the Bachelor's degree. Some were involved: 96 percent worked with activities, averaging 4 activities each, even if 85 percent were married and averaged 2 children per family. Most teachers (40 percent) grew up in the Gainesville area, while one-fourth grew up outside of Texas. 19 percent came here from another state to teach. Most teachers (81 percent) live in the Gainesville area, though 19 percent commute to Gainesville from other towns. Salary — were they overpaid? Underpaid? This staff averaged a salary of $19,126.69, and believe it or not (did you notice the good looks? or all the gray hair? . . .) they averaged 43 years of age.

Homecoming

"It was a dream-come-true in the rain."

Duchess Carmen Hendricks
Escort Doug Herr

"I loved the rainy nights."

Duchess Kim Phillips
Escort Jerry Bruton

This Homecoming was both unique and enjoyable, with an impressive victory for the Leopards over the Carter-Riverside Eagles. As the Leopards left the field for halftime, mass confusion struct Leeper Stadium as a torrential rainstorm soaked anyone without protection. The Homecoming Duchesses and the beautiful Mercedes, which replaced the traditional Corvettes, were not spared from the downpour. The rain stopped in time for each duchess to be escorted onto the field. This was the first time in many years GHS Homecoming was "dampened" in any way.

Marketing and Distributive Education is an occupational orientation to the business world and the American economic system. DECA is a double elective for Juniors and Seniors interested in exploring careers in merchandising, marketing, management and service operations. Each student is placed in a marketing training job, according to his or her interests and abilities. Classroom studies include units in job orientation, sales, merchandising, math and communications.

This year's DECA students have been very busy. They held their annual Employer-Employee Banquet at K'Bobs featuring Key-note speaker Neal Jeffrey former All SWC Quarterback for the 1975 SWC Champions Baylor Bears. Fund raising activities included their annual sale of spirit buttons, school jackets, the rival volleyball tournament featuring the Seniors against the Teachers, and another first — a Donkey Basketball Tournament. Proceeds from these events helped to pay expenses for students to an area contest held in Carrolton. The remainder of the money was used to buy a video tape recorder, camera and power pack for instructional use within the classroom. DECA coordinators are Kenny Phelps and Kermit Brown.

The Student Council had a very active year as many interesting events took place. Dress-up days were a part of the fun as a punk rock day, Western day, and "hats off" to the Leopards day took place. Powderpuff football, a Christmas dance, and some interesting assemblies were all a part of the schocl year.

As editors of this year's *Leopard,* we would like to take this space to thank a few people who really deserve it. First of all, a great big thanks goes to our staff. Without you, we couldn't have done it. Your cooperation and enthusiasm helped to make this yearbook one of the best. We've had a good time and a lot of fun. Thanks to our photographers. Your cooperation was also greatly appreciated. A job well done! Mr. Trietsch — you pushed us and made us work hard. You said what we needed to hear. Your help with our "dirty work" was especially appreciated. Thank you for supporting us all the way. All of you have made this year special and we'll never forget you.

Sincerely,
Shannon DeVilliers
Paul Bianchi

There's a lot of hard work and dedication that goes behind the making of a yearbook. Each person has to spend time outside of his 5th period class to get the job done. Each person on annual staff must design his or her own section. It's his duty to arrange to have pictures taken and anything else he may need for his pages. Responsibility is the most important quality each one must possess.

1. Shannon checks to make sure all the receipts and money are in Mrs. Galubenski's envelope when annuals are passed out.
2. "Get back you vicious typewriter!" Paul snarls.
3. While thumbing through an "older" annual, Harlan runs across a picture of Mr. Trietsch.
4. Monique and Scott look over some pictures he printed for her.
5. Doug and Vern enjoy working together on the sports page.
6. Kristen realizes how important organization is; so she keeps her layouts and pictures all together.

10. Sandy overlooks Moniques designs for the band section.
11. LeShay doesn't believe one word of that phony story about how Vern Kirby "lost his key."
12. Paul says, "Ah yes. An editors work is never done."
13. Kristen and Harlan take time to relax after a deadline has been met.
14. Not all captions are funny; however Sandy seems to think this one is.

The Varsity Cheerleaders had practice every morning in June getting ready for camp. They attended SMU for a week and brought home five superior ribbons and a superstar squad ribbon. Tuesday night at camp, their spirit was recognized by winning a "spirit stick!" They showed their "artistic abilities," by making close to a hundred yard signs and twice as many locker decorations, cookies, and signs for the hall. The Pep Rallies went from the traditional "Two-Bits" and "Good Luck" to the *Crazy* skits and sky-scraping stunts.

There is another side of the cheerleaders that no-one sees except Nick and Crinna, who drove them to each game. They put up with all their singing, which sounded more like screaming, and the "pink spungies" flying all over the van.

They are proud of their teams, and most of all, that "Big Red Spirit!"

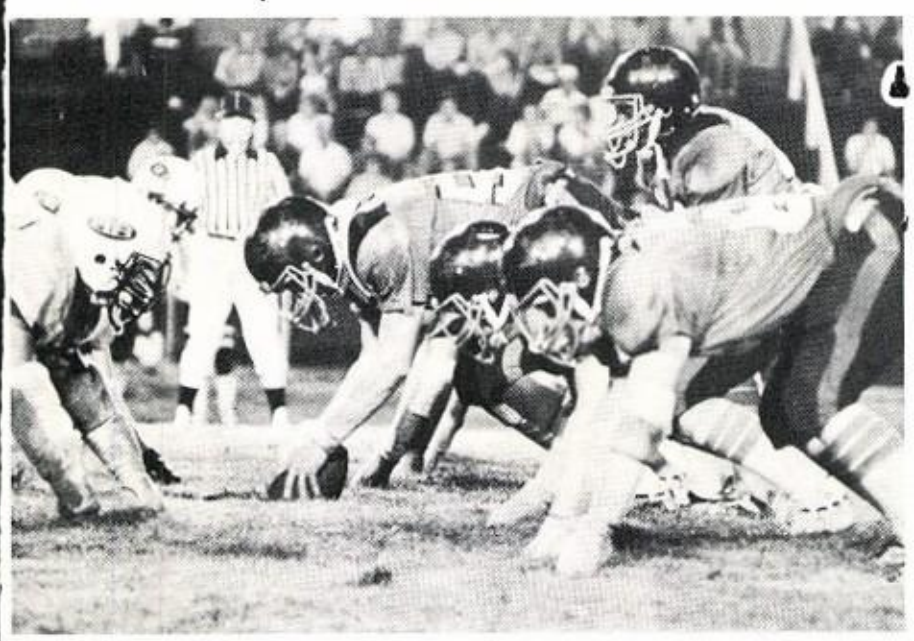
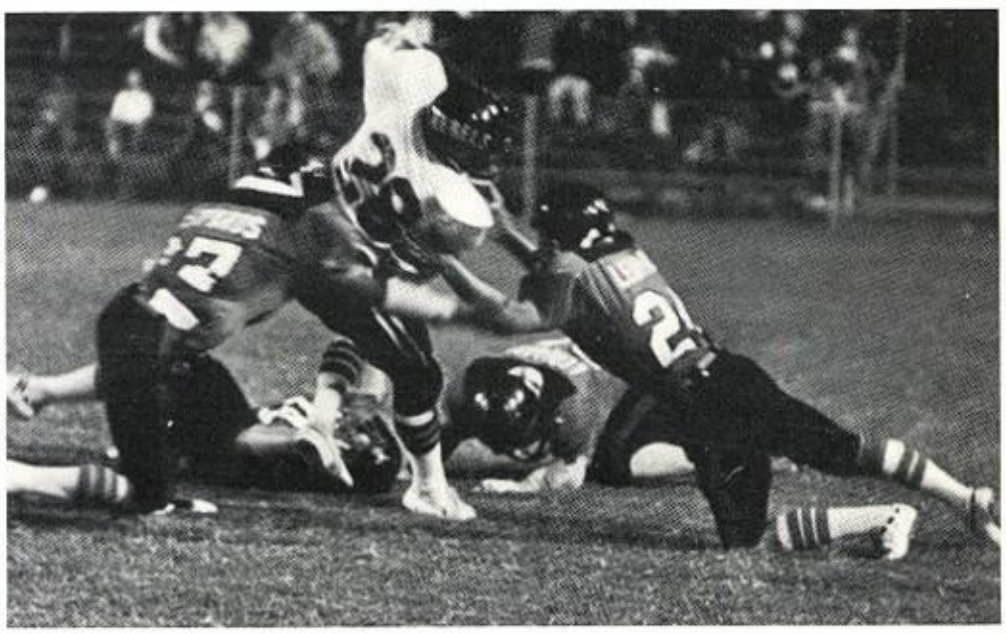
SEASON HIGHLIGHTS

Leopards shutout Burk for 14-0 win



Gainesville opened the season of 1981 at home with the Burkburnett Bulldogs. The game was a defensive one, as the Leopards were able to hold the Bulldogs scoreless and came out on top with a 14-0 victory.

Leopards crush Rebels for win 26-7



The contest with Ft. Worth Southwest proved that the Leopards have a great deal of pride and spirit. The game was filled with enthusiasm for the Leopards that didn't seem to let up. In this game, James Calhoun rushed for 159 yards, and the final score was 26-7, the Leopards coming out on top.

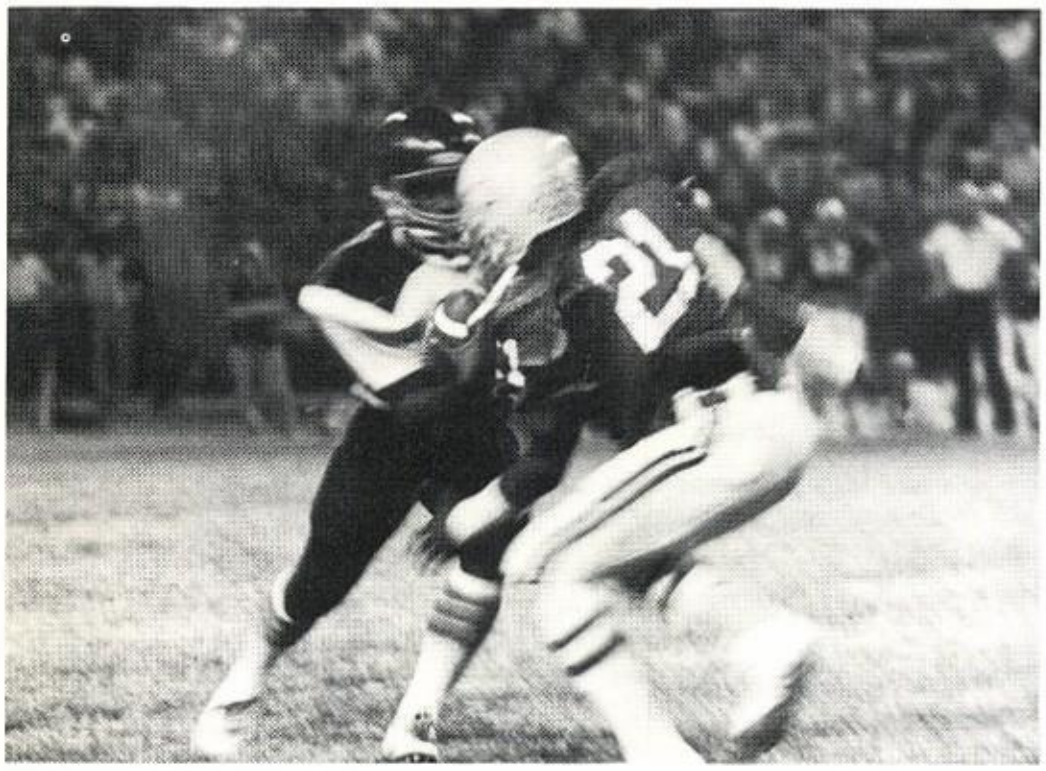
Leopards surprised by Azle 7-10

The Leopards seemed to feel that they would repeat the 63-0 stomping of Azle a year ago, as they started the game on Friday night. The contest was tied 7-7 at the half. The second half was a defensive struggle as the Hornets came out on top 10-7. The Leopards used this game as a lesson; the need to prepare for each game.

Leopards crush Rebels for win 26-7

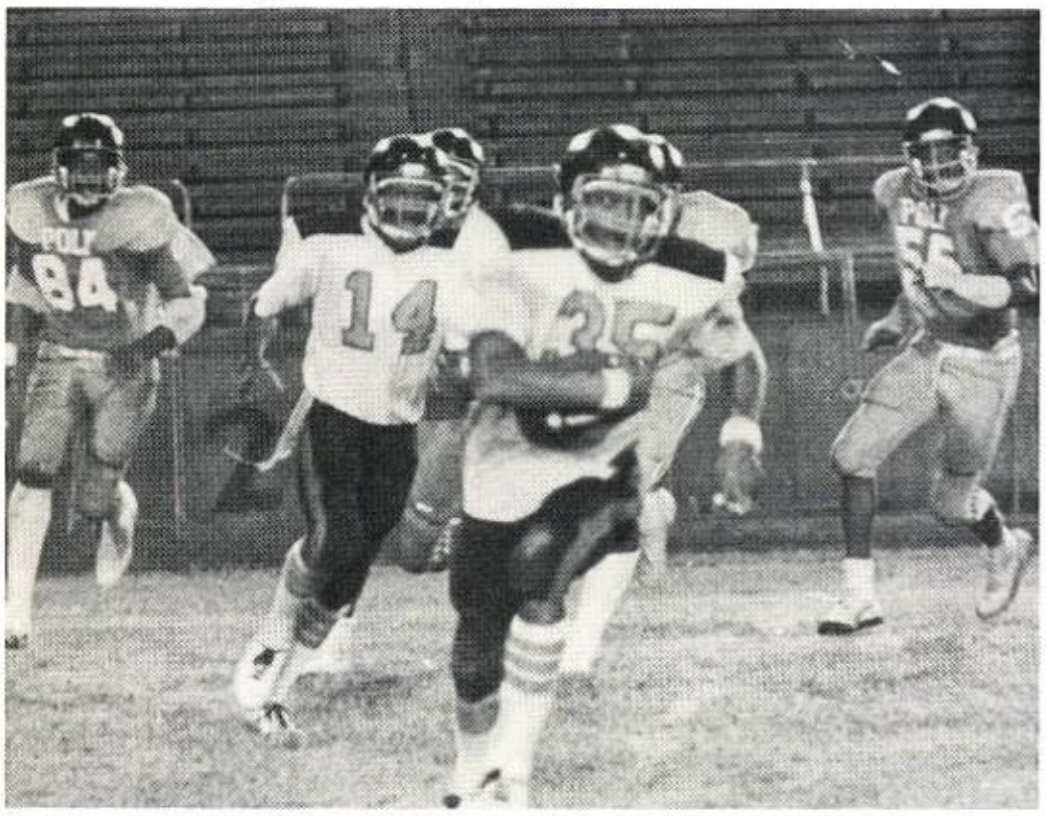
Ardmore came to town for the fourth game of the season. This game showed the Leopards' ability to control the football on offense. The offensive line was impressive as big holes were opened for our backs, and as Blane Wilson rambled for 158 yards rushing. The Leopards came up with good execution on key plays late in the game to defeat Ardmore's Tigers, 24-3.

Leopard comeback falls short at Denton 13-17



When the Denton Broncos and the Leopards get together for a football game, we all expect to see a good one. This season's game was no exception. Although the Broncos led the Leopards 17-0 into the third quarter, Gainesville rallied to recover lost ground. The Leopards scored twice to make the score 17-13, but that was not enough to boost them to a victory. The Big Red also had a rally in the waning minutes of the game, but fell short as the game ended. Denton won, 17-13.

Leopards beat Poly 28-13 for 1st District win



The Leopards ran over the F.W. Poly Parrots for their first district win. The Big Red had a 14-7 lead at halftime. Scoring in the game were Arthur Johnson, Ricky Royal, Cecil Jackson, and James Calhoun. Dane Young and Tollie Royal recovered fumbles. Tollie also picked off a Parrot pass as the Leopards won 28-13.

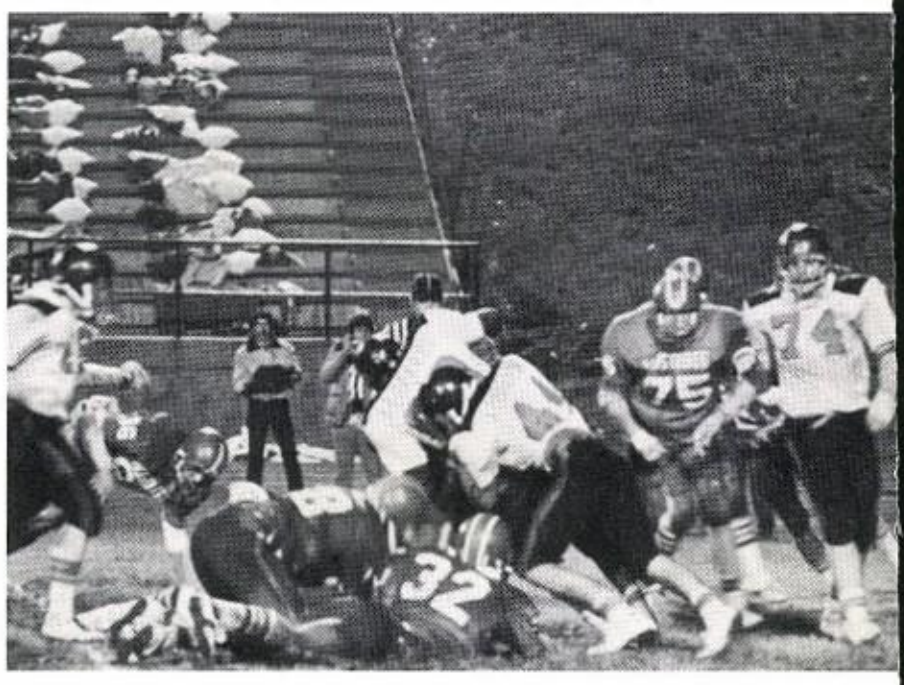
The 1981 Homecoming game was a great game for graduates to come home to. The Leopards controlled the line of scrimmage the entire ballgame and racked up 500 yards total offense to shut out the Carter-Riverside Eagles 41-0. The Leopards captured the East Zone championship of District 5-4A with this victory. It was also Dad's Night, which was originally planned for the Keller game, but was postponed because of the flood.

Leopards blank Keller during flood 28-0

The Flood of 1981 brought many changes for the city of Gainesville. One result o the flood was in the field of Leeper Stadium. The field was submerged in about thre feet of water early in the week and was in no condition to be played on the comin Friday night. The Leopards were scheduled to play Keller, so Mesquite Memori Stadium was picked as a neutral place for the game.

The game went well for the Leopards. A solid running attack was put on b Gainesville, and the defense came up with key plays to secure a 28-0 victory over th Indians.

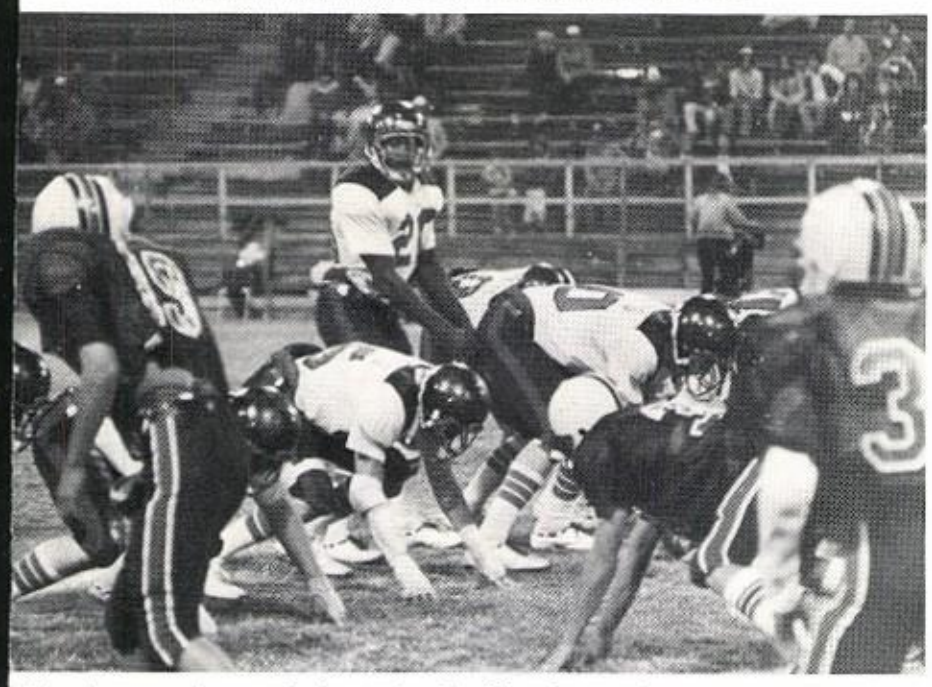
Leopards slip by Grapevine 21-13



A cold night in Grapevine was the setting for the Big Red's third District ballgame. The young players helped out as Ricky Royal and Dante Williams did a good job. The game was almost at a deadlock at the half with Gainesville leading, 14-13. The second half proved to be more profitable for the Leopards as they won the game, 21-13.

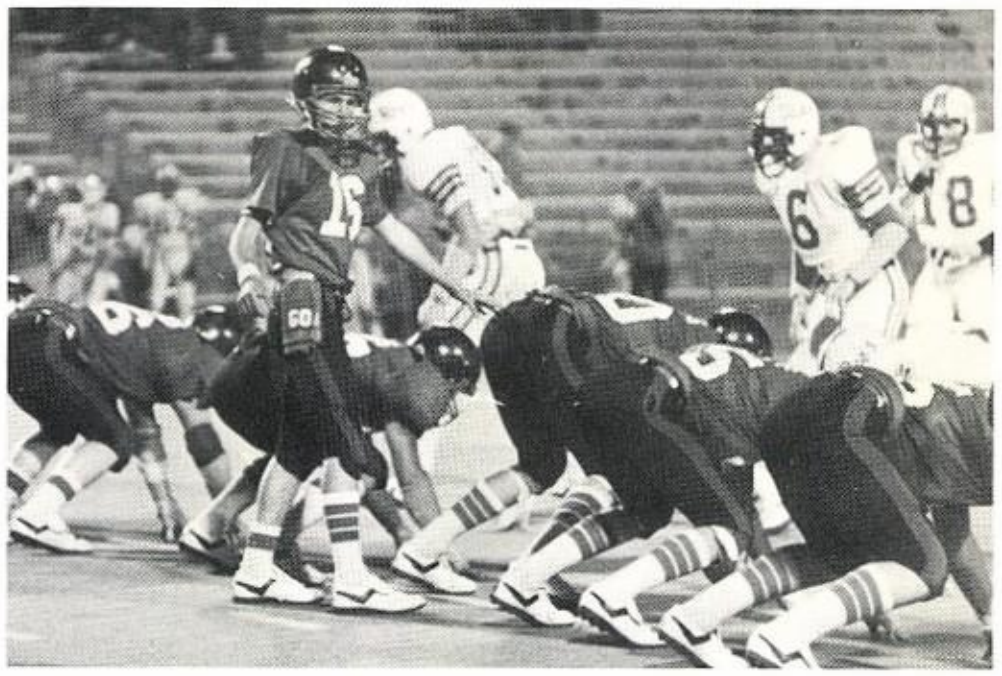
Leopards rout Carter for 41-0 Homecoming win

Leopards prevail over Diamond Hill 20-19.



The Leopards went down to Ft. Worth to play a game that had o bearing on their 1981 Zone Championship hopes. The Diamond ill Eagles were the opponent, and Big Red opened the scoring in he first quarter. The game moved nicely as the Leopards ended p on top of things, winning 20-19, on an exciting last-chance field oal by James Calhoun.

Leopards district hopes fade 18-21.



The Leopards lost a heartbreaker for the District Championship game at Mesquite Memorial Stadium, Saturday night, Nov. 14th. The Leopards and Weatherford Kangaroos battled it out in the most physical and exciting game this season. The two teams fought hard the entire game as time finally ran out on the Big Red. The Kangaroos sneaked away with a 21-18 victory, to capture the District title.

The Leopards looked good in preseason as they split a pair of preseason games with Boswell and beat a 5A district winner, Denton, 5-2.

The Leopards opened their regular season with a game in their own Humbud Invitational Tournament beating Boswell once more. They later won the tournament by beating Northwest and Bonham. A game that really showed the Leopards potential was one against McKinney, 4A state runner-ups, where they lost 5-4 but lead most of the game. The Leopards wound up 5-5 in non-district play.

The district season looked bright as the Leopards won the first two games over last years champion Poly and then Keller, before losing to Grapevine. They beat Carter 10-9 in a seven run outburst in the seventh inning to raise their first half record to 3-1 which set them up for a showdown with Diamond Hill to see who would capture the first half crown; but they lost 5-4.

The second half was much easier as they rolled up four victories in a row against Poly, Keller, Grapevine, and Carter Riverside. Again they had a chance to claim a spot in the playoffs, but lost to Diamond Hill 4-3. So their district record ended up 7-3 as their total regular season ended up 12-8.

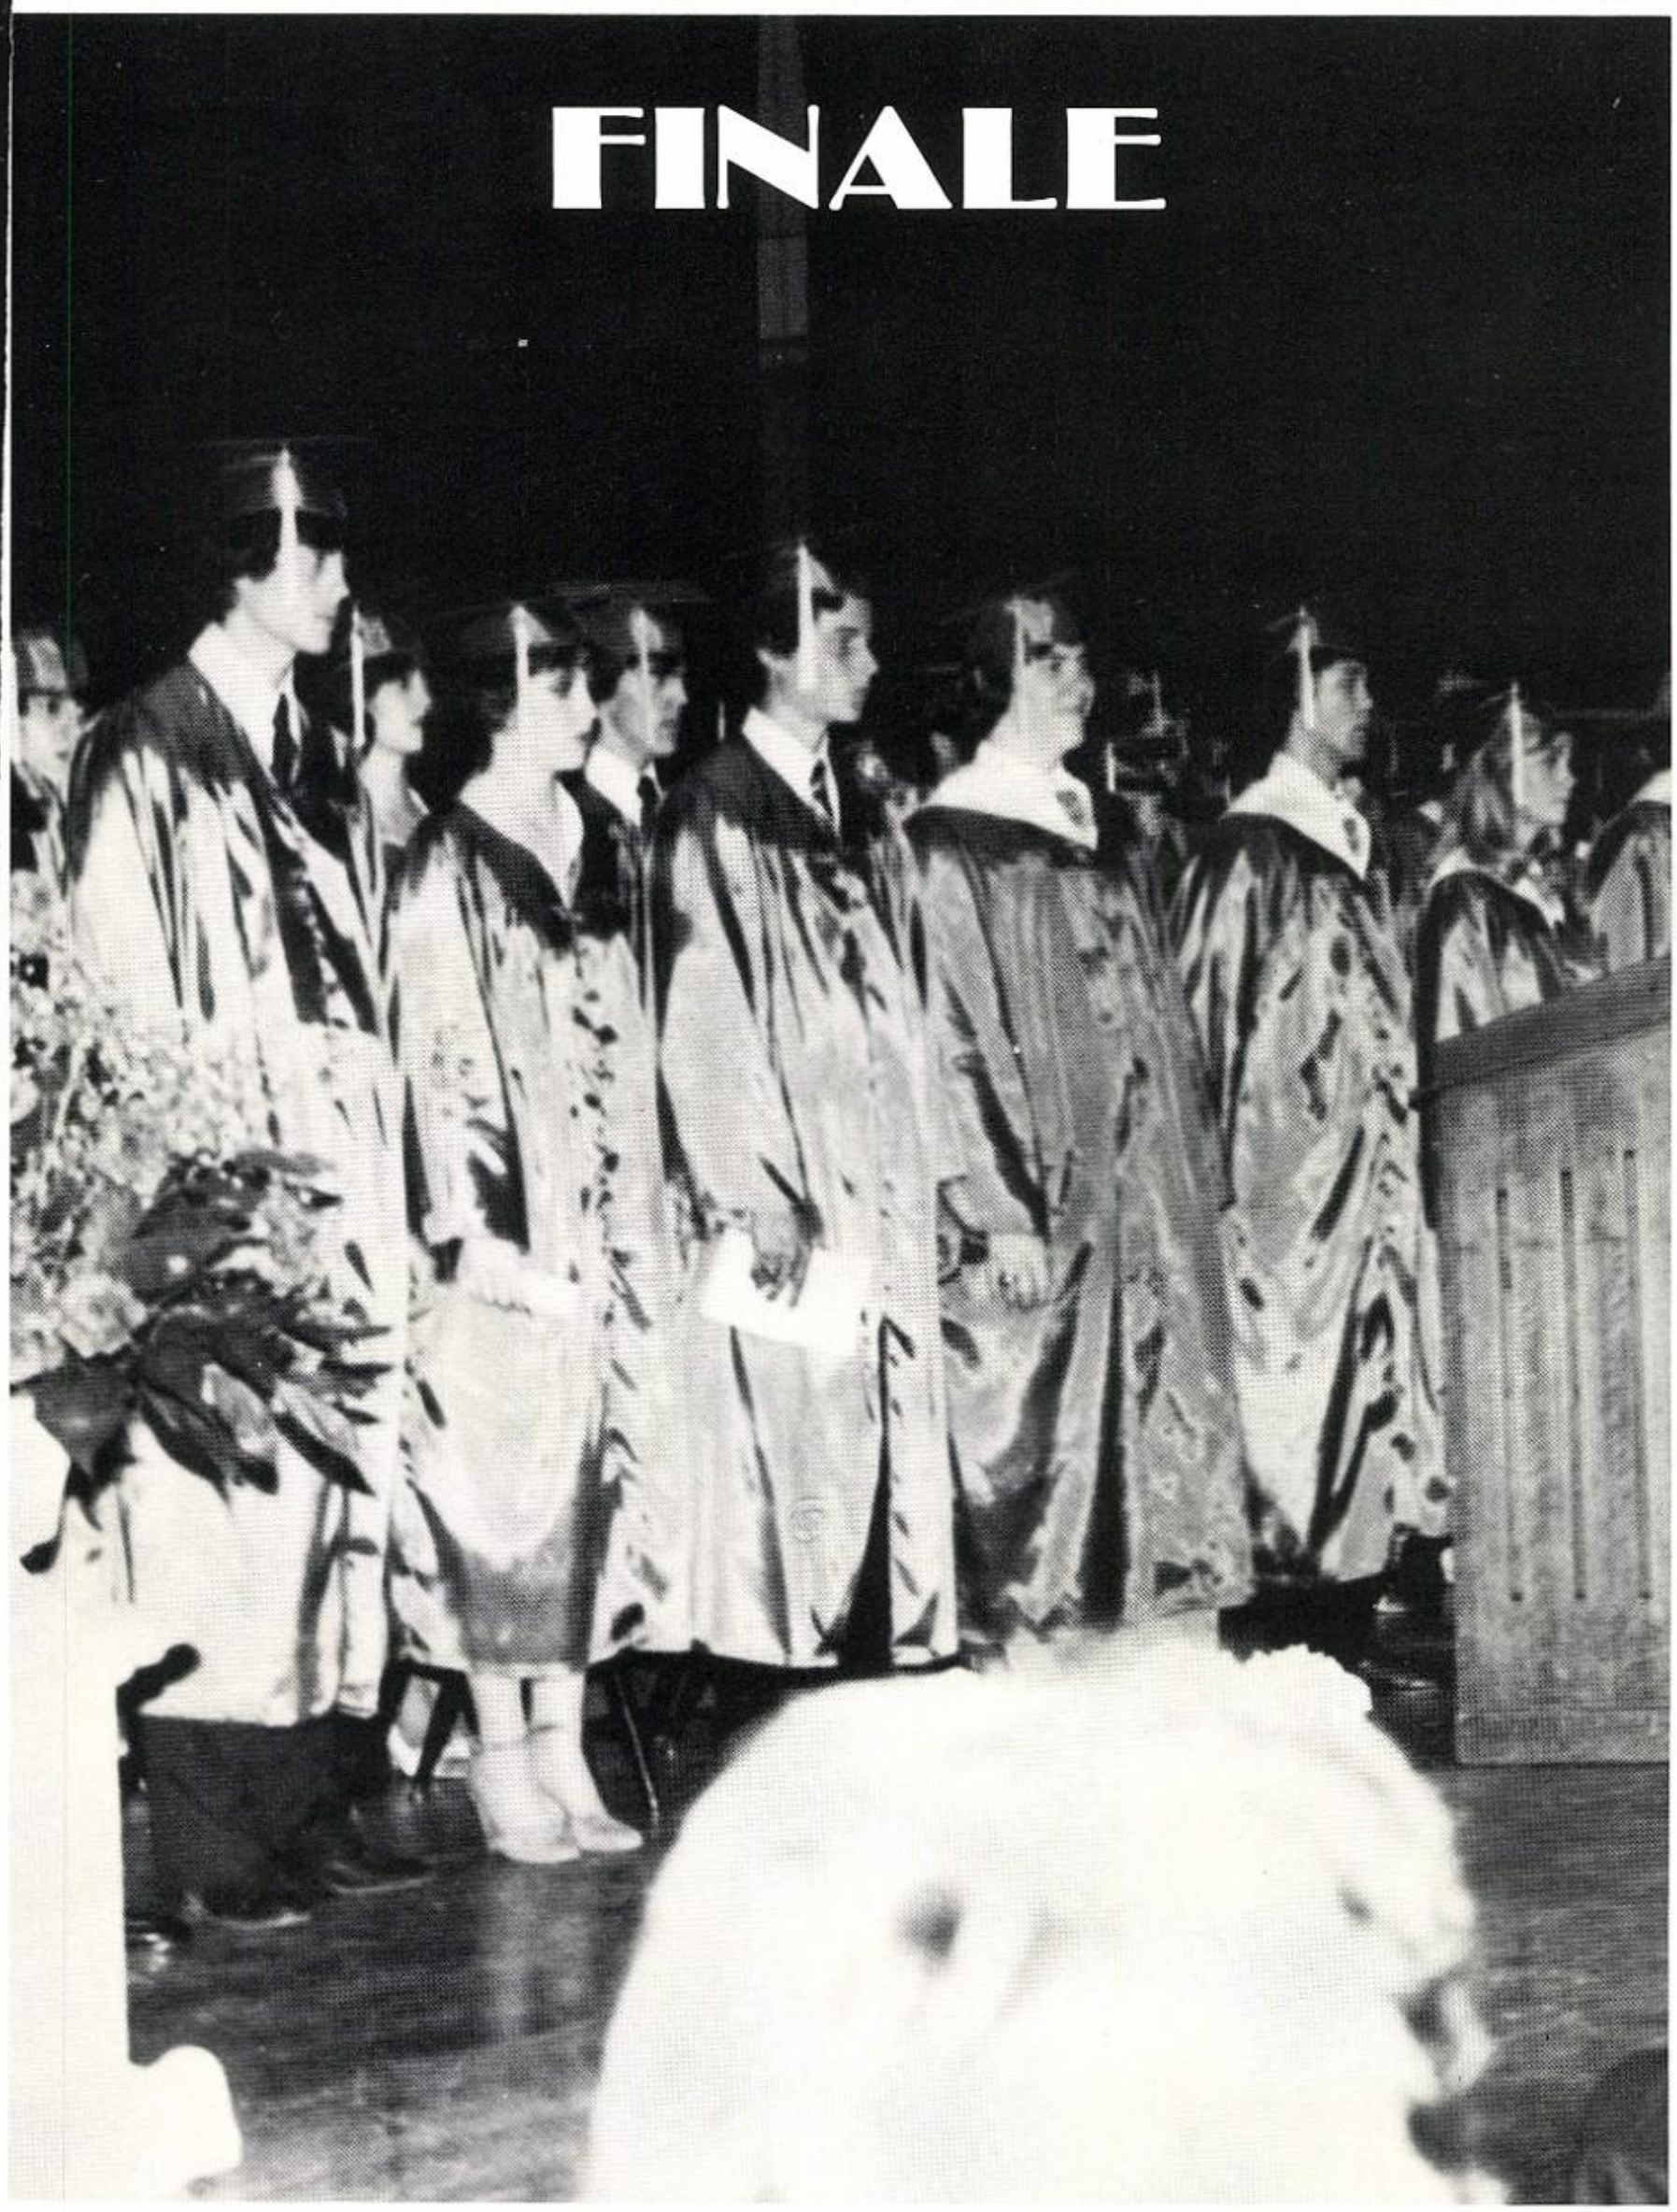
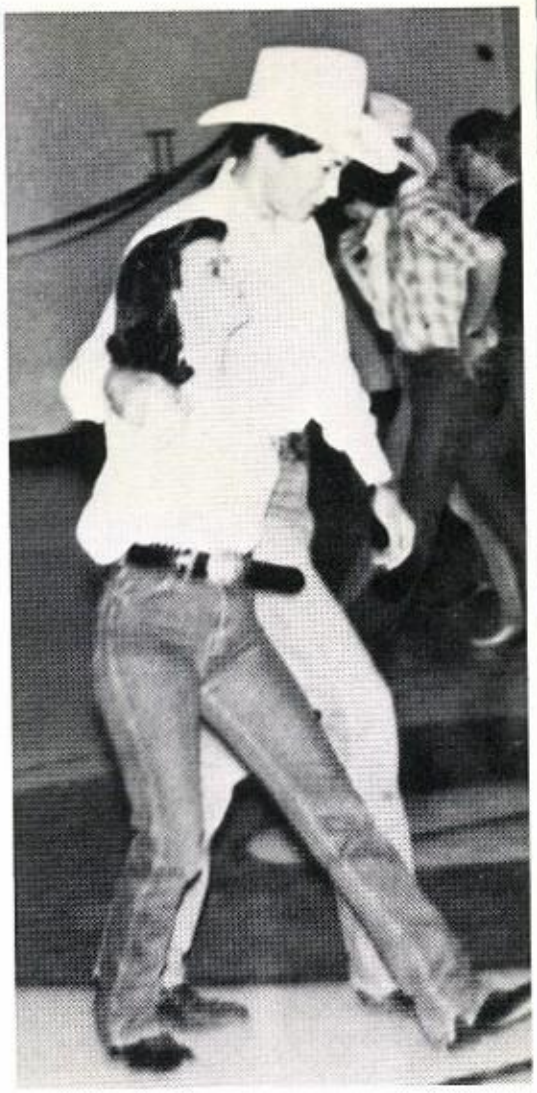
J-JEFF

FINALE



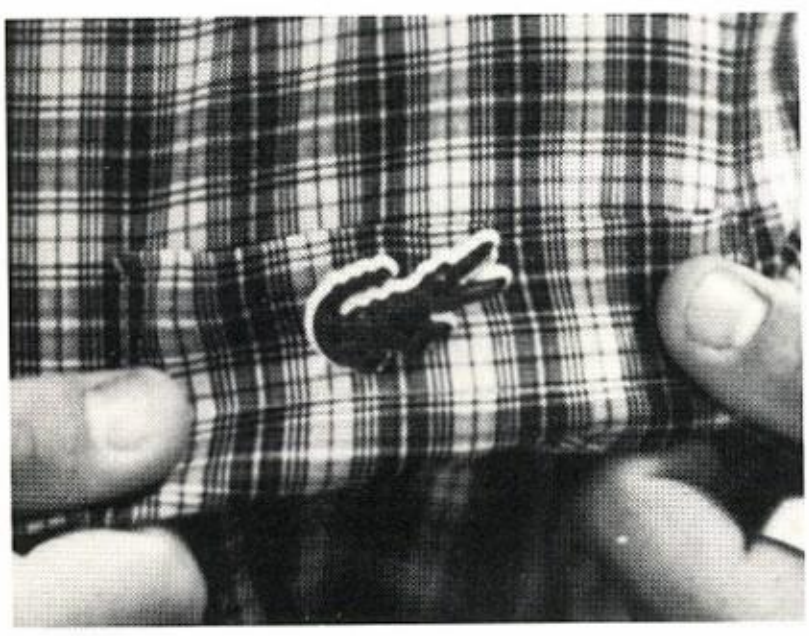
Terri Murphree, John Reidy, Kim Burchfield, Johnny Dill, and Angie Sparks can not believe somebody would actually take their picture while they are eating.



Erin Clower and Hank Schumacher show their talents by doing the Cotton-Eyed Joe.

Jeff Grewing gets tickled as he tries to learn the waltz from Mrs. McCain.

Sibling rivalry are forgotten as Cody and Donna Doty do the Cotton-Eyed Joe.



Even though most of the people went western, John Reidy sticks to his "preppy" ways!!!

The Junior Senior Jubilee

Even though the basic music for the Jubilee was western, the students took time out to jam to the bus stop.

Spencer Leftwhich says, "Gee your hair smells terrific Ms. Hays."

The Junior Senior Jubilee was held on a warm Friday evening in early May. The party was given in honor of the 1982 Seniors by the Junior class.

After supper, country and western and disco music was played by John Schmitz and those who were not too stuffed by supper, danced to music by Hank Williams, Jr., Merle Haggard, George Jones, Joan Jett, the Sugerhill Gang, and the Commodores.

The dance was successful and it was enjoyed by all who attended.

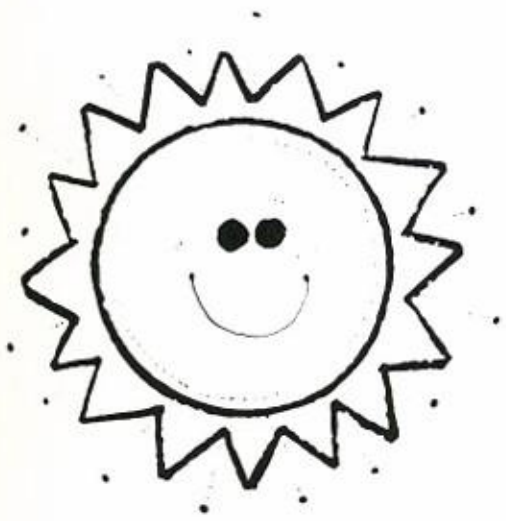
Senior Breakfast

"We have sure got the MUNCHIES," exclaimed Yvette, Sheryl, Jeff, and Michael.

"Oh, we love our morning juice, yes we do," sing the wid awake John, Jerry, and Bernie.



These hungry Seniors line up for the morning feed.

Come on, John. Those eggs can't be THAT good!

"Doug, if you don't take smaller bites, I'm going to . . ."

Here we go, a big toast to the ones we all know and love as the Seniors of '82.

Sunny Splash Day

Right: Sharon enjoys a little dip in the Rock Creek waters.

Tear it up Blane, John, Don, Vince, Neil, Johnny, Ernest, Ken and Chuck (Jerry)!!

On Friday morning, May 14th, after the Senior Breakfast, that group of rowdies known as the Seniors of '82 made their way out to that big swimming hole known as Lake Texoma. The majority of this crew could be found at either of the more popular of the lake spots, Rock creek or Juniper Point East. These Seniors knew what to do when they got there, and like any normal bunch of kids about to graduate, had a good ol' time in the cool water and the warm sun.

These Seniors know how to relax. They're the bathing beauties of the '80's.

Allison takes in the sun at Juniper Point.

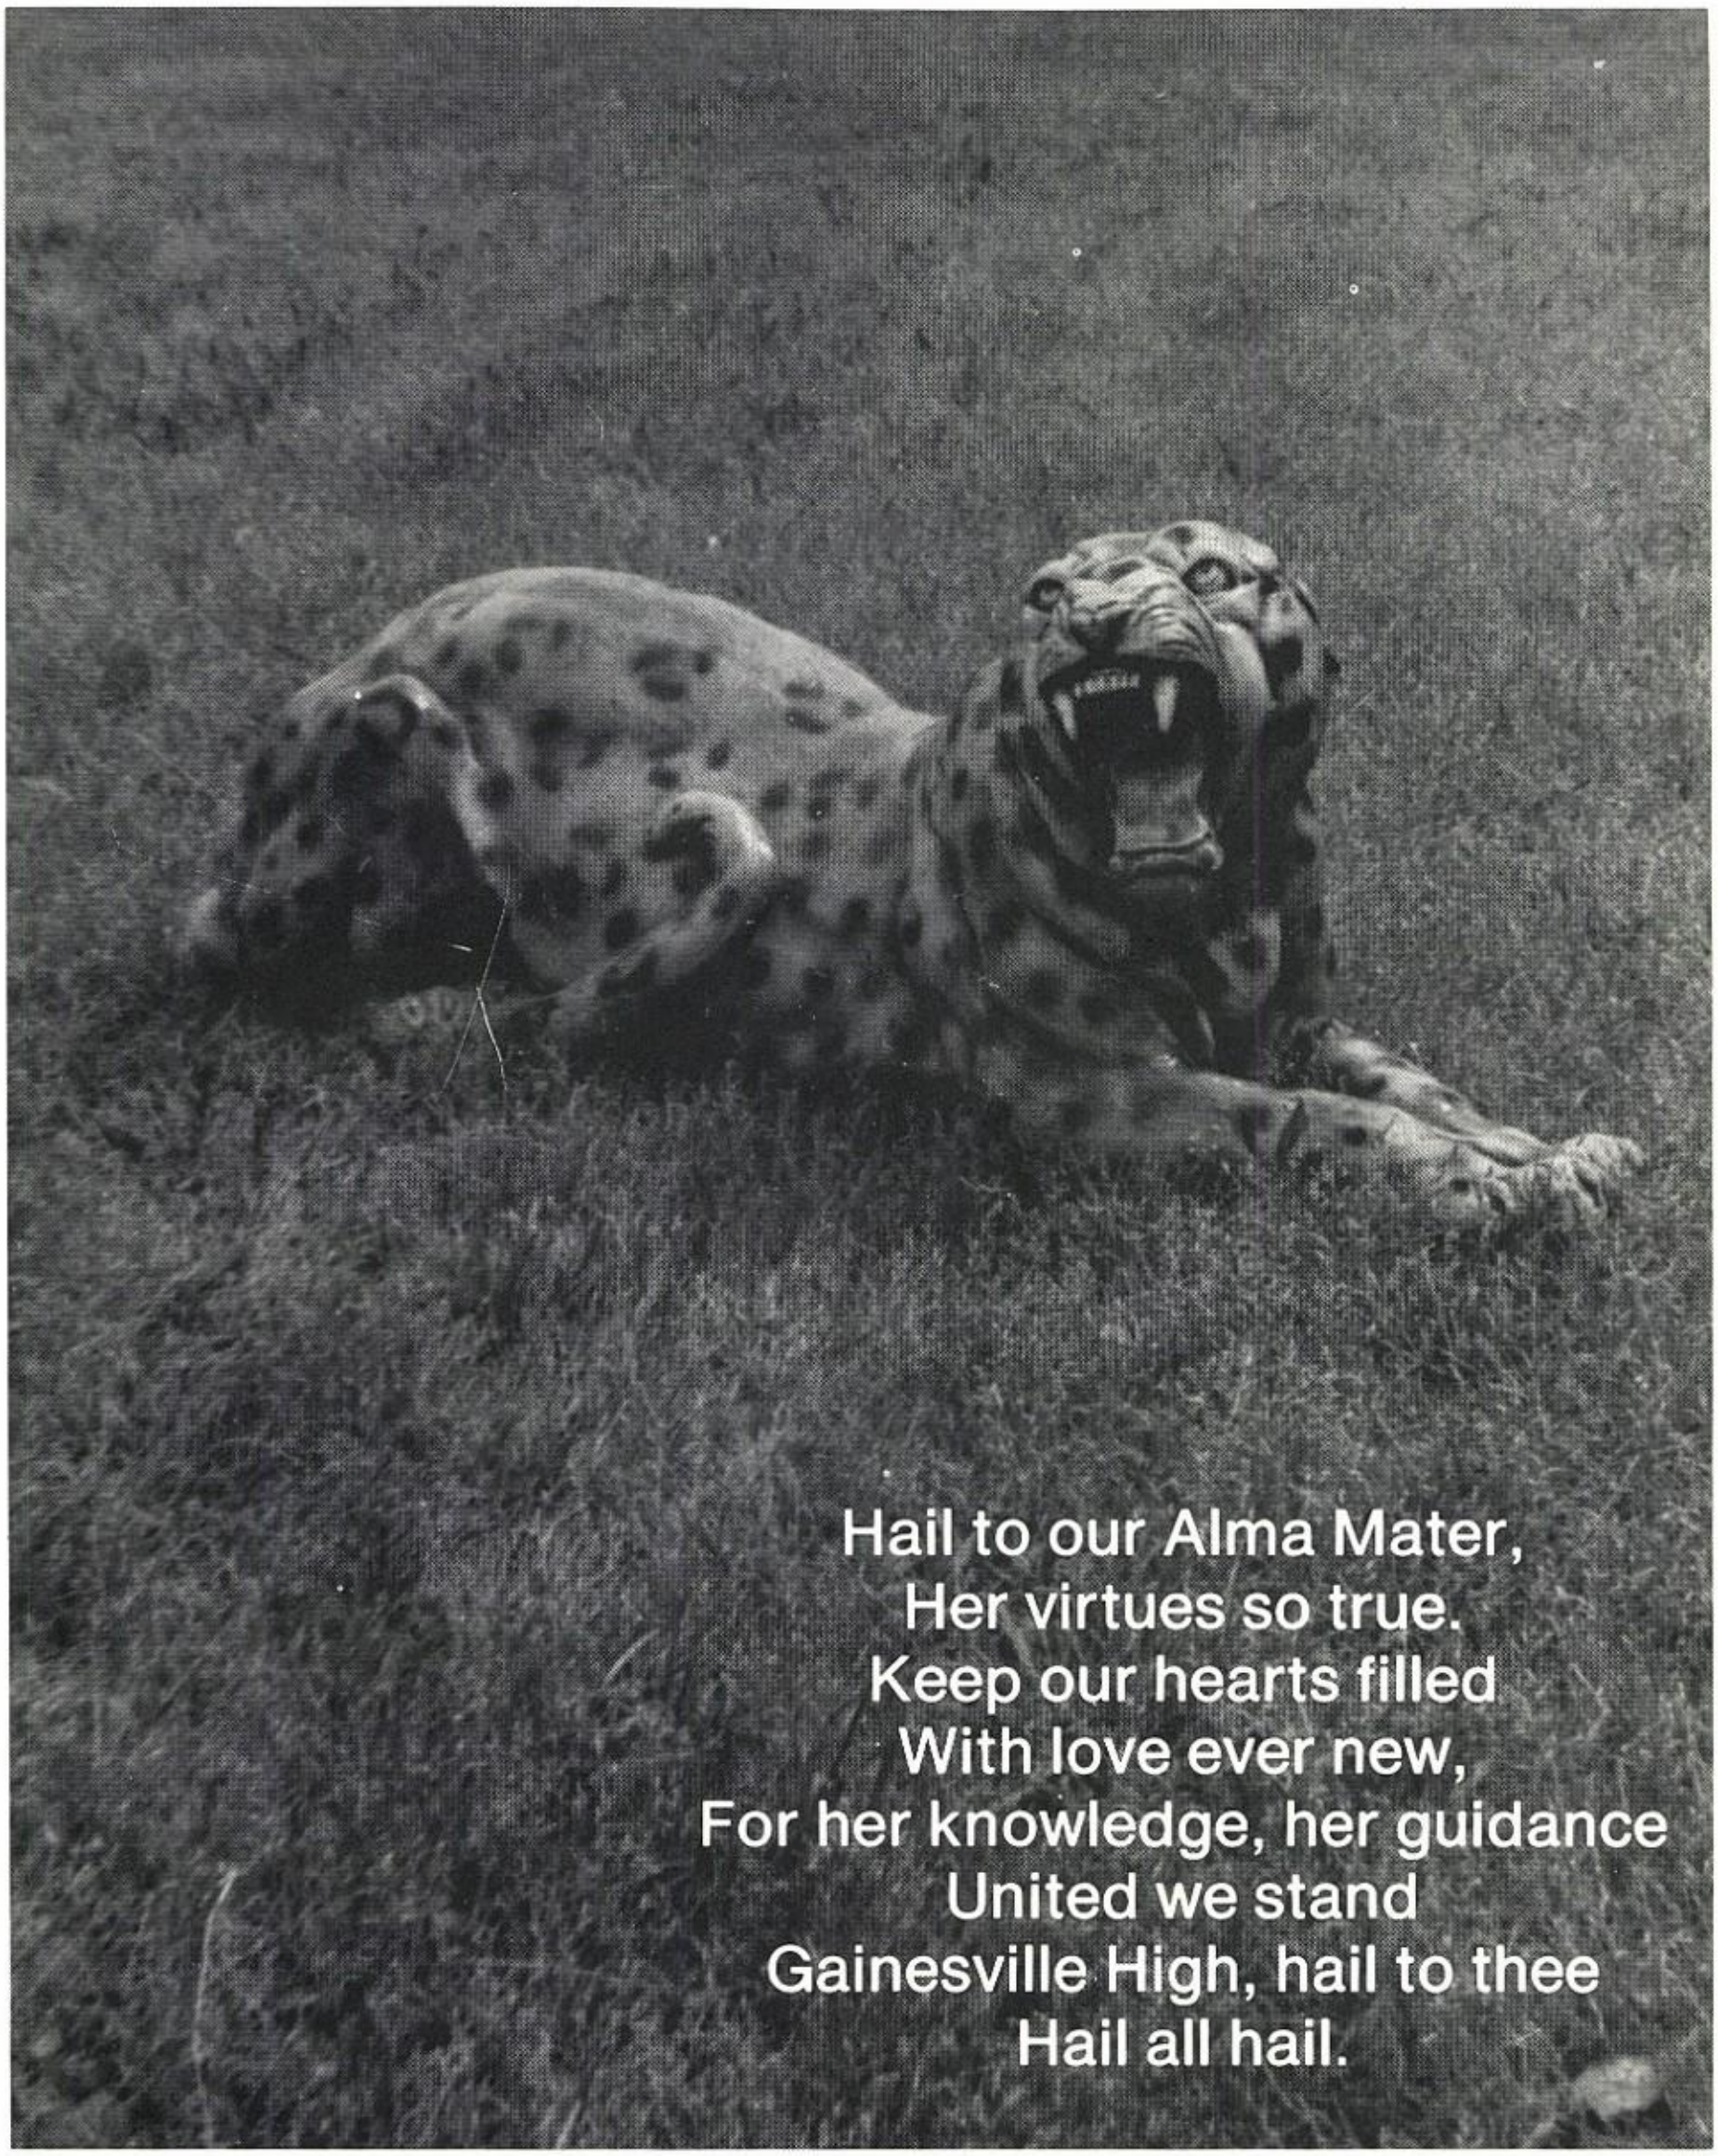
The All Sports Banquet was a very enjoyable occasion as the athletes in each sport were honored. The banquet's guest speaker was Mr. Neil Jeffrey who is a former All-Southwest Conference football player from Baylor. He also played professional football for three years with the San Diego Chargers. He entertained the audience with his great skill in juggling and good sense of humor, but his main points were that we should all establish a goal in our lives. We should have a good attitude toward that goal, have faith in ourselves to carry out this goal, and finally have faith in God to help us attain our goal in life.

Neil's presentation was enjoyable, and it meant something to each person at the banquet.

Left: Neil Jeffrey entertains the people with his juggling.



Hail to our Alma Mater,
Her virtues so true.
Keep our hearts filled
With love ever new,
For her knowledge, her guidance
United we stand

Hail all hail.

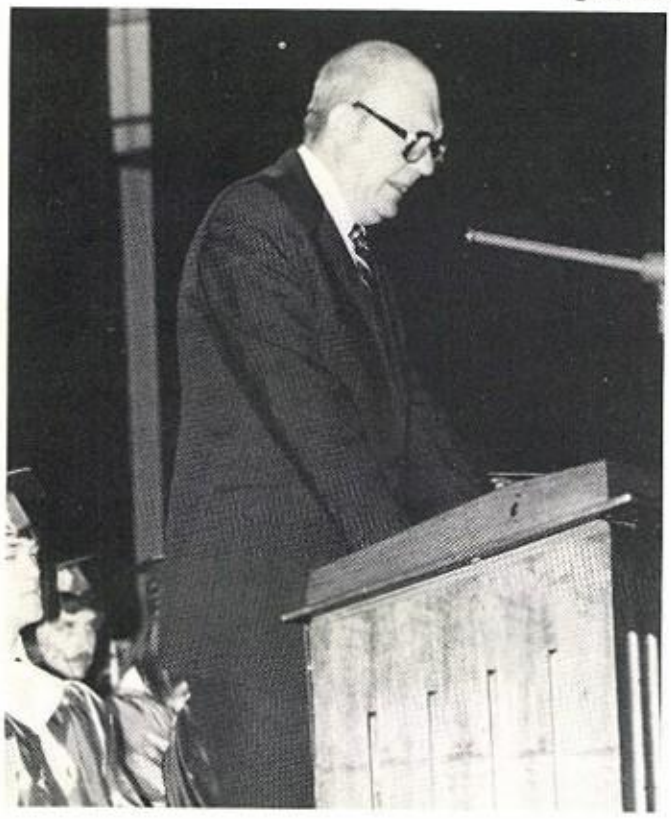
HIGH SCHOOL AUDITORIUM

I close with this verse taken from ancient Oriental Sanskrit:
Look to this day!
For it is life, the very life of life.
In its brief course lie all the verities
and realities of your existence:
The bliss of growth;
The glory of action,
The splendor of beauty.
For yesterday is already a dream,
and tomorrow is only a vision;
But today well lived, makes every
yesterday a dream of happiness,
and every tomorrow a vision of
hope.

Tracy Snodgrass

"Listen Keith, you lost the bet. I'm gonna graduate!" says Jeff.

Jimmy Raney receives his diploma with pride.



Mr. Die recognizes the honor students.

Here we go Gang! (L-R): Denna Buck, Belinda Brumley, Shelley Brammer, Mike Boase, John Bluml, and Tammy Berres.

Mr. Trietsch tries to explain to Tom Fluker and Jeff McMahon that Honor Society doesn't get a standing ovation.

Darin Goode, Stephanie Goodin, Ginny Grounds find saying "good-bye" to friends a little hard.

"Hi Mom and Dad!" says Tina Griffith.

And so, our friends,
We'll say goodbye
For we are out of

But tonight can

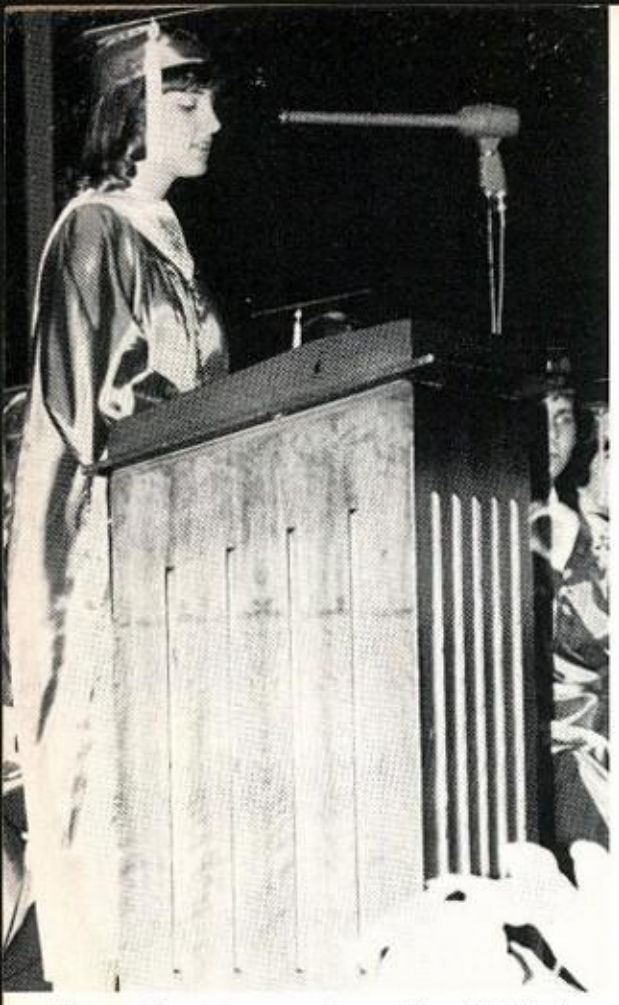
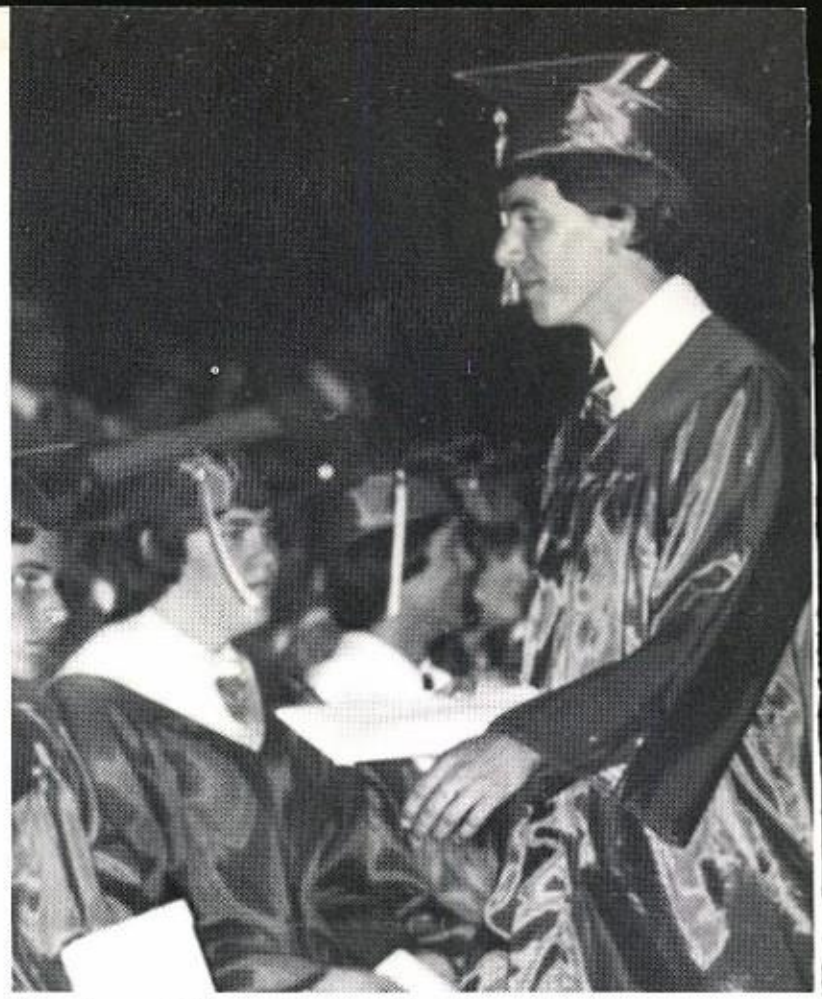
As long as we keep
alive
The memories of you
and I.



Tracy Snodgrass gives the Salutatory address.

Doug Lynch thinks this is no time for pictures.



"And you think you're bad!" Allison Shaff says to Phillip Stockwell.

. . . Before I conclude tonight, I would like to thank our parents, Dr. Vincent, Mr. Die, Mr. Gibbs, our teachers, and all of the people who have touched our lives for helping us and putting up with us over the years. We could not have made it without their help. So now we face the adult future and make a break with the past. As we say our last farewell to Gainesville High, let us all recall some thoughts of the great romantic writer, William Wordsworth, on the passing of youth.

"What though the radiance which was once so bright,
Be now forever taken from my sight,
Though nothing can bring back the hour
Of splendor in the grass, of glory in the flower;
We will grieve not, rather find,
Strength in what remains behind.

Carl Sicking

FAREWELL

Here we have lived, 4 years inside these walls,
Here we have learned, in spirit and in mind.
Here we have wandered, lingered in the halls,
Here we stand, ready to leave all this behind.

Leave we now, the Class of '82,
The bonds of high school attempting to sever,
We go our ways, strong and true,
While learning goes on forever.
